

R-8

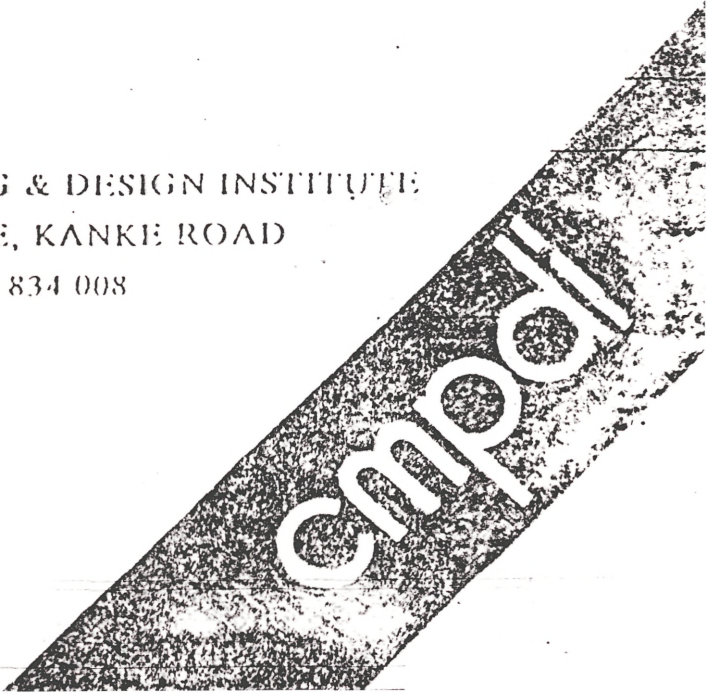

CONFIDENTIAL

SCHEME & STRATEGY
FOR
DEALING WITH
ILLEGAL MINING OF COAL
IN
EASTERN REGION

JANUARY ' 1994

CENTRAL MINE PLANNING & DESIGN INSTITUTE
GONDWANA PLACE, KANKE ROAD
RANCHI - 834 008

ANNEXURES

(E C L COMMAND AREA)

1. ANNEXURE I :

STATEMENT SHOWING THE LOCATION OF ILLEGAL MINING IN
TABULAR FORM.

2. ANNEXURE II A :

STATEMENT SHOWING DETAILS OF FIR'S LODGED.

3. ANNEXURE II B :

STATEMENT SHOWING DETAILS OF ACTIONS TAKEN :
(RAIDS, SEIZURES ETC.)

4. ANNEXURE III :

PLAN SHOWING LOCATIONS OF ILLEGAL MINING.

SUMMARISED DETAILS OF ILLEGAL MINING LOCATIONS IN ECL

Sl. No.	Location	Status of lease of location	Illegal mining Status	Type of illegal mining	-----Details of Coal Mined----- Seam with thickness Coking/ Non-coking Grade Reserves (tonne)				Mining Potential/workability	Suggestions to prevent the illegal mining	Approx Qty Lost/year	Agencies involved	Persons responsible accountable for dealing with illegal mining
1	2	3	4	5	6	7	8	9	10	11	12	13	14
A. BANKOLA AREA													
1	Centenary Incline	Within ECL Leasehold	Exposed coal faces of abandoned quarry being mined	Irregular	R-VIII (6-8 m)	N C	C	15000	Economically not viable	Administrative vigilance and filling the quarry with debris	2-3 TPD		G.M., Bankola Area
B. KAJORA AREA													
2	No. 4 pit near Jambad OCP	do.	do.	do.	R-VIII B (6-8 m)	N C	C	10000	do.	do.	16-20 TPD	Arun Dutta of Banula village	G.M., Kajora Area
C. KAPASARA AREA													
3	Khoda OCP	do.	do.	Regular	Kalimati (8-12 m)	N C	E	20000	do.	do.	15-20 TPD	Manu Tiwari Haru Tiwari	G.M., Kapasara Area
4	500 m from Laxhitata abandoned Inc	do.	do.	Regular	Kalimati (8-12 m)	N C	E	20000	do.	do.	15-20 TPD	Binod Singh	do.
5	500 m from Kapasara OCP	do.	do.	Irregular	Kalimati (8-12 m)	N C	E	20000	do.	do.	8-10 TPD	N A	do.
6	500 m from Mandman Quarry	do.	do.	do.	Kalimati (8-12 m)	N C	E	20000	do.	do.	8-10 TPD	N A	do.
7	500 m from Rupura OCP	do.	do.	do.	Kalimati (8-12 m)	N C	E	20000	do.	do.	8-10 TPD	Bijoy Singh	do.
8	Shampur B	do.	do.	Regular	Gopinathpur (3-5m)	N C	D-E	10000	do.	do.	70-100 TPD	Dasharath Master	do.
9	Sanganahal Jungle	do.	Coal from the incrop regions of the various seams in Chatabar outlier being mined	Irregular	Seams of Shampur Basin (3-5 m)	N C	D-E	15000	do.	Administrative vigilance and dozing off the incrop region	6 TPD	N A	do.

Sl. No.	Location	Status of location	Illegal mining Status	Type of illegal mining	---(Details of Coal Mined)---				Mining Potential/workability	Suggestions to prevent the illegal mining	Approx Qty Lost/Year	Agencies involved	Persons responsible accountable for dealing with illegal mining
1	2	3	4	5	6	7	8	9	10	11	12	13	14
D. KUNUSTORIA AREA													
10	Mahabir Old Quarry	-do-	-do-	-do-	R-IX (4-6 m)	N.C.	C	10000	-do-	-do-	5-6 TPD		G.M., Kunustoria Area
11	Old quarry near Etra Village	-do-	-do-	-do-	R-VIII (6-8 m)	N.C.	C	10000	-do-	-do-	1-2 TPD	N.A.	-do-
12	Old quarry near Toposi Colliery	Within ECL leasehold	Exposed coal faces of abandoned quarry being mined	Irregular	R-VI (6-8 m)	N.C.	B-C	5000	Economically not viable	Administrative vigilance and filling the quarry with debris	0.5-1.0 TPD	N.A.	G.M., Kunustoria Area
13	Old quarry of Beibaid Colly Jotehara	-do-	-do-	-do-	R-V (4-6 m)	N.C.	B-C	5000	-do-	-do-	2-3 TPD	N.A.	-do-
E. NIRSHA AREA													
14	27th Incline of Mahanagar colliery (behind Sanjay Gandhi college)	-do-	Exposed coal faces of abandoned quarry being mined	-do-	B.P seam (6-8 m)	N.C.	E	5000	Economically not viable	Administrative vigilance and filling the quarry with debris	1 TPD	N.A.	G.M., Nirsha Area
15	Chapapur 8310	Within ECL leasehold	Exposed coal faces of abandoned quarry being mined	Irregular	Kalimati (10-12m)	N.C.	E	20000	Economically not viable	Administrative vigilance and filling the quarry with debris.	4-5 TPD	N.A.	G.M., Nirsha Area
16	Chapapur 1&2	-do-	-do-	-do-	Kalimati (10-12m)	N.C.	E	20000	-do-	-do-	N.A.	N.A.	-do-
17	Badina Incline near Badina siding	-do-	Coal from the pillars in abandoned inclines being mined	-do-	Badina (around 3 m)	N.C.	B-C	2000	-do-	Sealing off the incline mouth and administrative vigilance.	3-4 TPD	N.A.	-do-
18	Apas Shampur Incline near Tharaganagar Station	-do-	Exposed coal faces of abandoned quarry being mined	-do-	Shampur III/IV (3.5-4 m)	Semi-coking	W.G. III/IV	Around 0.3 mt	The existing abandoned inclines can be opened for working the available reserves on dip side.	Re-opening of the abandoned inclines	3-4 TPD	N.A.	-do-

Sl. No.	Location	Status of lease of location	Illegal mining Status	Type of illegal mining	Details of Coal Mined				Mining Potential/workability	Suggestions to prevent the illegal mining	Approx. Qty. Lost/year	Agencies involved	Persons responsible, accountable for dealing with illegal mining
					Seam with thickness	Coking/ Non-coking	Grade	Reserves (tonne)					
1	2	3	4	5	6	7	8	9	10	11	12	13	14
19	Khoocha river bed	-do-	-do-	-do-	Shampur-II/III (4-6 m)	Semi-coking	W-G-III/II	20000	Economically viable	Administrative vigilance & filling the quarry with debris	4-5 TPD	N A	-do-
F. Pandaveswar Area													
20	Sagarbhanga Gangaramchak	Within ECL leasehold	Coal from exposed coal faces of abandoned quarries being mined	Irregular	Kasta (4-6 m)	N C	E	15000	Economically not viable	Administrative vigilance and filling the quarry with debris	2-5 TPD	N A	G.M. Pandaveswar Area
21	Suhanpur	-do-	Exposed coal faces of abandoned inclines and quarry being mined	-do-	Kasta (6-8 m)	N C	C-D	15000	-do-	-do-	-do-	-do-	-do-
22	Samla	-do-	Incrop region of the coal which is exposed in the river bed is being mined	-do-	R-II/III (3-5 m)	N C	B-C	Around 1.5 mt	PR has been formulated	Implementation of PR for Samla-Barjore OC. Since the reserves are limited, it may possibly be worked by hired	-do-	-do-	-do-
23	Dairband abandoned mine	-do-	Exposed coal faces of abandoned quarry being mined	-do-	R-VIII (5-7 m)	N C	C-D	10000	Economically not viable	Administrative vigilance and filling the quarry with debris	2-3 TPD	-do-	-do-
G. RAJMAHAL AREA													
24	Hura Block	Outside ECL leasehold area	-do-	Regular	Seam II (5-12 m)	N C	F	More than 10 mt	PR for working available reserves by OC mining has been formulated	Implementation of PR for Hura OC	300-400 TPD	N A	Govt of Bihar State
25	Chatkani	Outside ECL leasehold area	Coal in the exposed incrops being mined	Irregular	Seam XV(T) (3-8 m)	N C	F-G	More than 1.0 mt	PR for working reserves by opencast mining can be expanded to work this area legally	PR for Chuperbitha OC can be expanded to work this area	-do-	N A	Govt of Bihar State

Sl No	Location	Status of lease	Illegal mining Status	Type of illegal mining	Details of Coal Mine Seam with thickness	Coking/ Non-coking	Grade	Reserves (tonne)	Mining Potential/workability	Suggestions to prevent the illegal mining	Approx Qty Lost/year	Agencies involved	Persons responsible accountable for dealing with illegal mining
1	2	3	4	5	6	7	8	9	10	11	12	13	14
CH SALANPUR AREA													
25	Tara Churuka	Within ECL leasehold	Exposed coal faces of abandoned quarry being mined	Irregular	Churulia Top (6-8 m)	N.C.	C	Around 1 mt.	PR for working available reserves has been prepared	Implementation of PR for Deshmohan O.C. as prepared. Since the available reserves are limited and located away from the present working areas, this can possibly be worked by hired equipment also	16 TPD	N.A.	G.M. Salanpur Area
27	Sangramgarh- Lohat	-do-	Exposed coal faces of abandoned quarry are being mined	-do-	Salanpur- 'A' (12-14m)	N.C.	E	Around 0.5 mt	Dip side available virgin reserves can be worked by using method	Starting of the inclines from the abandoned quarry bed	1-2 TPD	N.A.	-do-
28	Abandoned mine near Gourandih	-do-	Exposed coal faces of abandoned quarry are being mined	Regular	Salanpur- 'A' (12-14m)	N.C.	E	More than 5 mt.	Available reserves can be worked by Opencast method	Implementation of PR for Gourandih A' OC as formulated	20-30 TPD	N.A.	-do-
29	Abandoned mine near Begunia	-do-	Coal is being mined from the pillars of the abandoned inclines	Irregular	B-VI seam (2.2-3.0m)	N.C.	C	About 0.50 mt	Available virgin reserves on the incline dip side can be worked by re-opening inclines	Re-opening of the abandoned virgin reserves on dip side	N.A.	N.A.	-do-
30	Abandoned mine near Barmundia	-do-	Coal in the incrop region of seam R-VIII being mined	-do-	R-VIII (2.5-3.5m)	N.C.	C	20000	Economically not viable	Administrative vigilance and dozing off incrop region	N.A.	N.A.	-do-
SATGRAM AREA													
31	Mitrazur	-do-	Exposed coal faces of abandoned quarry are being mined	-do-	R-V (3-4 m)	N.C.	C-D	5000	-do-	-do-	-	Sri Krishna Singh Betul & Anju Manju	G.M. Satgram Area
32	Benaiee colliery	-do-	Incrop region of R-IV seam being mined	Regular	R-VI (3-4 m)	N.C.	C	10000	-do-	Administrative vigilance and dozing off the incrop region	40-45 TPD	Sri Krishna Singh Betul & Anju Manju	-do-

S. No	Location	Status of lease of location	Illegal mining Status	Type of illegal mining	-----Details of Coal Mined----- Seam with thickness Coking/ Non-coking Grade Reserves (tonne)				Mining Potential/workability	Suggestions to prevent the illegal mining	Approx Qty Lost/year	Agencies involved	Persons responsible accountable for dealing with illegal mining

STATEMENT OF ACTIONS (Seizures/Raids)

Sl. No.	Locality of Incidence	Year of Incidence	Details of Action	Results
1.	Sultanpur	91-92	Material seized Coal - 34.9 T	Seized coal received back by ECL.
2.	Sanla	91-92	Material seized Coal - 0.6 T Bullock cart - 3 Coal - 10.88 T	Materials handed over to Police vide case No.404. Seized coal received back by ECL.
3.	No.4 pit near Jambad OCP	91-92	Coal - 11 T	Seized coal received by ECL.
4.	Mahabir old Quarry	91-92	Coal - 0.1 T Bicycle - 2 Coal - 104.73 T	Materials handed over to Police vide case No.1180. Seized coal received back by ECL.
5.	Old quarry near Topsi colliery	91-92	Coal - 0.82 T Bicycle - 3 Bullock cart - 1 Coal - 13.14 T	Materials handed over to Police vide case No.764. Seized coal received back by ECL.
6.	Old Quarry of Belbaid colliery/ Jotejanaki	91-92	Coal - 1 T Bicycle - 3 Bullock cart - 1 Coal - 100.26	Materials handed over to Police vide case No.697. Seized coal received back by ECL.
7.	Mithapur Abandoned Quarry	91-92	Coal - 11 T	Seized coal received back by ECL.
8.	Benatee Colliery	91-92	Coal - 20.54 T Bicycle - 15 Rickshaw Van - 1 Bullock cart - 6 Truck - 2 Coal - 68.5 T	Materials handed over to Police, vide case No.101,372, 391, 504, 234. Seized coal received back by ECL.
9.	Ratibati near Agent's office	91-92	Coal - 4 T	Seized coal received back by ECL.
10.	KLS Chalbatpur	91-92	Coal - 46 T	Seized coal received back by ECL.
11.	Kimcha	91-92	Coal - 100.54 T	Seized coal received back by ECL.
12.	Central Janurta	91-92	Coal - 1 T Bullock cart - 1 Coal - 24 T	Handed over to police vide case No.331. Seized coal received back by ECL.

STATEMENT OF ACTIONS (Seizure/Raid)

Sl. No.	Locality of Incidence	Year of Incidence	Details of Action	Results
13.	Abandoned Mine of Baijantipur	91-92	Coal - 78.9 T Bullock cart - 3 Rickshaw Van - 2 Truck - 8	Handed over to Police vide cases No.178,203,231,531,1038,39,39,248,219,161
			Coal - 87.98 T	Seized coal received back by ECL.
14.	DeBright's Rana/Charanpur	91-92	Coal - 34 T	Seized coal received back by ECL.
15.	Hunia Dhowrah (Katipahari)	91-92	Coal - 20 T Truck - 2	Handed over to Police vide cases No.271, 7.
			Coal - 30 T	Seized coal received back by ECL.
16.	Seetpur	91-92	Coal - 10 T	Seized coal received back by ECL.
17.	Ramjibanpur old mine	91-92	Coal - 17.18 T	Seized coal received back by ECL.
18.	Aldih	91-92	Coal - 0.9 T Bicycle - 18 Rickshaw Van - 1 Person - 1	Handed over to Police, vide cases No.1412, 851, 1061, 339, 379.
19.	Almost opposite Neamatpur Workshop	91-92	Coal - 0.93 T Bicycle - 18 Rickshaw Van - 1	Handed over to Police, vide cases No.522, 348, 799.
20.	Hirakhun/Chatarkanali	91-92	Coal - 22.93 T Bicycle - 97 Truck - 3 Person - 1	Handed over to Police vide cases No.255,402,537,751,185,342,36,459,739,311,57,610,252,324,485,231,672,692,743,277,677,711,596,350.
			Coal - 134.88 T	Seized coal received back by ECL.
21.	Tara Churulia	91-92	Coal - 733.48 T	Seized coal received back by ECL.
22.	Abandoned mine near Barnandia	91-92	Coal - 9 T	Seized coal received back by ECL.
23.	27th Incline of Harijamm-cottinery (Behind Sanjay Gandhi College)	91-92	Coal - 2 T	Seized coal received back by ECL.
24.	Chapapur 9&10	91-92	Coal - 6.66 T Bicycle - 44 Truck - 1	Handed over to Police vide cases No.169,311,528,385,848,233,651
			Coal - 166.85	Seized coal received back by ECL.

STATEMENT OF ACTIONS (Seizure of Minerals)

Sl. No.	Locality of Incidence	Year of Incidence	Details of Action	Results
25.	Chapapur 182	91-92	Coal - 0.2 T Bicycle - 5	Handed over to Police vide case No.364.
			Coal - 10 T	Seized coal received back by ECL.
26.	Khusana? Incline?āāā	91-92a	Coal- 13 T	Seized Coal received back by ECL.
27.	Khas Shampur Incline (near Thapannagar Station)	91-92	Coal - 10 T Bicycle - 2 Truck - 1	Handed over to Police vide case No.375.
			Coal - 10 T	Seized coal received back by ECL.
28.	Khoodia River Bed	91-92	Coal - 15 T	Seized coal received back by ECL.
29.	Khoodia OCP	91-92	Coal - 31 T	Seized coal received back by ECL.
30.	Central Sahajpuri	91-92	Coal - 0.75 T Bicycle - 9	Handed over to Police vide cases No.592, 324.
			Coal - 24.87 T	Seized coal received back by ECL.
31.	Sagarbhanga/ Gangaramchak	92-93	Materials seized Coal - 5 T Bicycle - 4 Bullock cart - 3	Materials handed over to police vide cases No.35 & 152.
32.	Sultanpur	92-93	Materials seized Coal - 2.74 T Bicycle - 4 Bullock cart - 1	Materials handed over to police vide cases No.340,564.
			Coal - 35.4 T	Seized coal received back by ECL.
33.	Saaha	92-93	Coal - 0.2 T	Handed over to Police vide case No.240.
			Coal - 10 T	Seized coal received back by ECL.
34.	No.4 pit nears <u>Jambad OCP</u>	92-93	Coal - 22 T	Seized coal received back by ECL.
35.	Mahabir Old Quarry	92-93	Coal - 0.95 T Bicycle - 19	Handed over to Police, vide cases No.726, 989, 79.
			Coal - 271.85 T	Seized coal received back by ECL.

STATEMENT OF ACTIONS (Seizures/Recovery)

Sl. No.	Locality of Incidence	Year of Incidence	Details of Action	Results
36.	Old Quarry near Topki colliery	92-93	Coal - 10.35 T Bicycle - 2 Bullock cart - 4 Rickshaw Van - 1 Truck - 1	Handed over to Police, vide cases No.646, 981, 71.
			Coal - 130.2 T	Seized coal received back by ECL.
37.	Old Quarry of Belbaid colliery/ Jetejanaki	92-93	Coal - 62.59	Seized coal received back by ECL.
38.	Mithapur Abandoned Quarry	92-93	Coal - 15 T Truck - 2	Handed over to Police, vide cases No.133, 219.
			Coal - 75 T	Seized coal received back by ECL.
39.	Benatee colliery	92-93	Coal - 35 T Bullock cart - 8	Handed over to Police, vide cases No.91, 24.
			Coal - 142 T	Seized coal received back by ECL.
40.	Ratibati near Agent's office	92-93	Coal - 117 T	Seized coal received back by ECL.
41.	KLS Chalbalpur	92-93	Coal - 149 T	Seized coal received back by ECL.
42.	Seetaidasji Old Quarry	92-93	Coal - 16 T	Seized coal received back by ECL.
43.	Kalidaspur	92-93	Coal - 11.8 T	Seized coal received back by ECL.
44.	Central Janxuria	92-93	Coal - 60 T Bullock cart - 4 Truck - 8	Handed over to police vide cases No.291, 284, 852, 14.
