Dear Shri Mishra,

I am enclosing herewith a telegram received by me from the Secretary, Carriage Council of Alipur Duar Jn. stating that the Subsistence Allowance of six suspended employees have been held up.

This measure is not only illegal but also is vindictive. The provisions of Payment of wages Act have been violated unceremoniously and the officer concerned should be taken up suitably.

I would, therefore, request you to issue immediate orders for arranging payment and also for causing an enquiry in order to fix up the responsibility for such gross illegal act. I shall be thankful to know the steps taken in this regard.

Awaiting an early reply,

Dear Comrade,

SUB: SERVICE OF NOTICE BY THE NRMU ON THE GM C.RLY.

In accordance with the directive issued by the National Co-ordination Committee for Railwaymen's Struggle, the National Railway Mazdoor Union served strike notice on the General Manager, Central Railway on 23rd April 1974, a copy of the strike notice is enclosed herewith.

One copy of the Notice was served at about 11.00 hours through the usual method of sending the dak and acknowledgement obtained. In the evening a mammoth demonstration, which was participated by more than 20,000 Railwaymen, marched through the office of the General Manager Central Railway and the constituents of the Central Railway Co-ordination Committee served their strike notices on the General Manager, Shri B.D. Mehra personally, who was present in his office to receive the notices. The demonstration was so massive that no such demonstration was ever by the workers of the Central Railway during many many years. The train was completely jammed for two hours. The notices for strike were served by the following organisations :

- 1) National Railway Mazdoor Union
- 2) Madhya Railway Karmachari Sangh
- 3) All India Loco Running Staff Association (C.Rly.)
- 4) OHE Staff Association, Kalyan.
- 5) All India Ticket Checking Staff Association (C.Rly.)

Information has also been received that the All India Minist Staff Association, Indian Railways Technical Supervisory Staff Assoc have also served the strike notice on the General Manager. The Motor Association of the Bombay Division (C.Rly.) have also served a strike on the Divisional Supdt., Bombay stating that they are going on strike 8th May 1974 on 11.00 hours. The demonstration of Bombay based Unions on the Central Railway and Western Railway was unique and shows the extent of mobilisation that has been made on both these Railways. According to conservative estimate of the Central Railway Administration they expect 65% of the Railway workers on both these Railways are going to participate in the ensuing strike. The morale of the workers has been very much boosted by the cent per cent participation of railway workers. On 22nd we had also held a meeting of the Working Committee of the Union and discussed the extent of preparation that is going on other divisions also. Some steps are also taken to further intensify the campaign and according steps have been taken. Today I have received a letter from the General Manager, Central Railway stating that the strike is illegal. I am enclosing herewith a copy of the same for your information. I have also been informed that similar letters have been issued by the General Manager, W.Rly. to the Western Railway Employees' Union. Today morning the Railway Ministry has issued the Defence of India Rules

Dear Mr. George Fernandes.

Refer my letter No. Aige/Conf/14/74 dated 15-4-74 enclosed with a copy of our ewe decision was handed over to AIRF office on 16/4/74 demanding there in certain classification in regard to Para 2 of our resolution demanding inclusion of two guards representatives in the 'Action Committee'.

I am further pained to remind you that by now, no reply could be received so far. I had clearly stated in my speech on 15-4-74 in Constitution hall regarding the necessity of this demand because our people do not agree with the present concept of the confederation which might have given you an idea to deprive us from the 'Action Committee' on the pretext that the Gen. Secy and the President of the AIRF will include the guards' category also.

I would like to request you that Para 2 of our resolution may kindly be clarified to enable me to proceed ahead.
