## QUESTIONNAIRE

1. How was the pool of "Registered Workers" created on the "A" day when the Scheme came into force?
2. What are the different categories of Registered workers with the Board? What are the eligibility conditions for "registration" of workers?
3. What is the system of regulating employments? How are Registered workers sent to jobs, how is attendance recorded?
4. What is the system of collecting wages and other levies from the Registered employers?
5. Since the employment is restricted to Registered workers only what steps have taken to prevent monopoly on jobs by the Registered workers and exploitation of those not registered with the Board?
6. Is the "Registered" pool of workers fixed? What is the system of inducting fresh workers into the Registered pool?
7. Does the Board provide minimum guaranteed wage or minimum guaranteed employment per month and "Disappointment" wage to Registered workers? What is the rate of "Disappointment Wage"?
8. How do the wage rates of the "Registered" workers compare with those of nonregistered workers in similar occupations and the wage rates in general in the area for similar skill levels?
9. How does the Board ensure that its Registered workers conform to the standards of discipline and productivity of the "Registered" employer? What is the frequency of complaints from employers? How are these complaints handled?
10. What is the administrative set up to handle the work of the Board? Please illustrate.
11. What are the benefits (others than wages) that the Board provides to the Registered workers? How are these benefits administered?
12. What role have the trade unions cooperative societies played in ushering in the Boards and keep them going? Would it have possible to constitute these Boards without cooperation of the trade unions?
13. What is the quality of cooperation from employers and unions? Have there been cases of prosecution or other actions taken against defaulters? If so what were the nature of these offences?
14. What are the principal problems/difficulties faced by the Board in day to day smooth running? please illustrate.
15. Can you state the principal good and not so good points about the scheme under which your Board is constituted?
