Dear Com. Sundaram,

Yours of February 6., was too late. TUR matter was already sent. We have made out a short report.

Sundriyal came here on Feb 7. He is still not quite alright and therefore work of the Federation could not be resumed.

Sundriyal will sit here and will visit Asaf Ali Road off and on. You can send letters and money orders here.

Satish is likely to return near about February 15.

With greetings,

Yours fraternally,

Dated 6.2.61.

Dear Com. K. G.

I returned to Madras from Baroda on the 3rd only. I stayed at Bombay for three days.

I am sorry I could not send the report on the Baroda conference earlier. I am enclosing the report in brief for publication in the TUR which please do.

We got the invitation for Atchutkani's marriage. I am expecting the invitation from you very soon!

When I left Baroda com. Sundrival was laid up with fever. How is he now? I hope the Federation has begun to function from 4 Ashok Road.

The standing committee met on the next day and decided on the org matters. According to that the proceedings, resolutions, General Secretary's Report and the new constitution are to be

printed in English and Hindi. Towards
the printing charges quota was fixed
for each union. I have to send Rs. 15/-
before the 15th instant. Am I to send it
to 4 Ashok Road or 3 Asaf Ali Road?
Let com. Sundryal keep close touch
with me. When is com. Satisw coming
to Madras? Please reply.

yours faithfully,

KM Sundaram
